

STOREY COUNTY BOARD OF COUNTY COMMISSIONERS MEETING

10/18/2016 10:00 A.M.

26 SOUTH B STREET, VIRGINIA CITY, NEVADA

AGENDA

MARSHALL MCBRIDE
CHAIRMAN

ANNE LANGER
DISTRICT ATTORNEY

LANCE GILMAN
VICE-CHAIRMAN

JACK MCGUFFEY
COMMISSIONER

VANESSA STEPHENS
CLERK-TREASURER

Members of the Board of County Commissioners also serve as the Board of Fire Commissioners for the Storey County Fire Protection District, Storey County Brothel License Board, Storey County Water and Sewer System Board and the Storey County Liquor and Gaming Board and during this meeting may convene as any of those boards as indicated on this or a separately posted agenda.

All matters listed under the consent agenda are considered routine, and may be acted upon by the Board of County Commissioners with one action, and without an extensive hearing. Any member of the Board or any citizen may request that an item be taken from the consent agenda, discussed, and acted upon separately during this meeting. The Commission Chair reserves the right to limit the time allotted for each individual to speak.

All items include discussion and possible action to approve, modify, deny, or continue unless marked otherwise.

1. **CALL TO ORDER REGULAR MEETING AT 10:00 A.M.**
2. **PLEDGE OF ALLEGIANCE**
3. **DISCUSSION/POSSIBLE ACTION:**
Approval of Agenda for October 18, 2016.
4. **DISCUSSION/POSSIBLE ACTION:**
Approval of minutes for September 20, 2016.

5. **CONSENT AGENDA**

I For possible action: Reschedule the November 15, 2016 Board of County Commissioners Meeting to November 10, 2016 at 12:00pm. This will allow for the canvassing of the General Election and for the Commissioners to attend the NACO Conference.

II For possible action: Approval of the Justice Court Quarterly Report for July - September 2016.

III For possible action: Approval of Treasurer's Report for September 2016.

IV For possible action: Approval of claims for payroll dated 09/29/2016 for \$77,068.03 and \$131,497.41 and dated 10/07/2016 for \$481,415.28. Claims for accounts payable date 09/30/2016 for \$134,921.77 and \$10,169.73.

6. **DISCUSSION ONLY (No Action - No Public Comment): Committee/Staff Reports**

7. **BOARD COMMENT (No Action - No Public Comment)**

8. **DISCUSSION ONLY (No Action - No Public Comment):**

Review of the 1st quarter 2017 unaudited budget to actual review.

9. **DISCUSSION/POSSIBLE ACTION:**

The applicant requests a variance allowing the required 60 foot front setback (or 50 percent of the lot's depth) distance between an accessory building and the property easement line to be reduced to 10 feet for the placement of an accessory garage on the subject property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada, APN 003-014-29.

10. **DISCUSSION/POSSIBLE ACTION:**

TRI Audit of project revenue and net revenue of the TRI Public-Private Partnership for the year ended June 30, 2015.

11. **DISCUSSION/POSSIBLE ACTION:**

Memorandum of Understanding (MOU) between Storey County and Dayton Valley Conservation District (DVCD) for noxious weed abatement in Six and Seven Mile Canyons, and in Gold Hill, Gold Canyon, Virginia City, and American Flat in Storey County.

12. **DISCUSSION/POSSIBLE ACTION:**

Discuss and approve project ideas for the Community Development Block Grant Funding for 2017 cycle for pre-application submittal to the State of Nevada Governor's Office of Economic Development.

13. **DISCUSSION/POSSIBLE ACTION:**

Approval of the mutual aid agreement for assistance with public safety emergencies between Storey County Sheriff's Office and Pyramid Lake Paiute Tribe.

14. **CORRESPONDENCE**

I Storey County Fire Protection District Activity Report for September 2016.

II Voluntary Statement from Raymond Pierre Bares regarding noise from the V&T Locomotive.

15. **PUBLIC COMMENT (No Action)**

16. **ADJOURNMENT**

NOTICE:

- Anyone interested may request personal notice of the meetings.
- Agenda items must be received in writing by 12:00 noon on the Monday of the week preceding the regular meeting. For information call (775) 847-0969.
- Items may not necessarily be heard in the order that they appear.
- Public Comment will be allowed at the end of each meeting (this comment should be limited to matters not on the agenda). Public Comment will also be allowed during each item upon which action will be taken on the agenda (this comment should be limited to the item on the agenda). Time limits on Public Comment will be at the discretion of the Chairman of the Board. Please limit your comments to three minutes.
- Storey County recognizes the needs and civil rights of all persons regardless of race, color, religion, gender, disability, family status, or nation origin.
- In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or

contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

(1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;

(2) fax: (202) 690-7442; or

(3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.

Notice to persons with disabilities: Members of the public who are disabled and require special assistance or accommodations at the meeting are requested to notify the Commissioners' Office in writing at PO Box 176, Virginia City, Nevada 89440.

CERTIFICATION OF POSTING

I, Vanessa Stephens, Clerk to the Board of Commissioners, do hereby certify that I posted, or caused to be posted, a copy of this agenda at the following locations on or before 10/11/2016; Virginia City Post Office at 132 S C St, Virginia City, NV, the Storey County Courthouse located at 26 S B St, Virginia City, NV, the Virginia City Fire Department located at 145 N C St, Virginia City, NV, the Virginia City Highlands Fire Department located at 2610 Cartwright Rd, VC Highlands, NV and Lockwood Fire Department located at 431 Canyon Way, Lockwood, NV.

STOREY COUNTY BOARD OF COUNTY COMMISSIONERS MEETING

TUESDAY, SEPTEMBER 20, 2016 10:00 A.M.

DISTRICT COURTROOM
26 SOUTH B STREET, VIRGINIA CITY, NEVADA

MINUTES

MARSHALL MCBRIDE
CHAIRMAN

ANNE LANGER
DISTRICT ATTORNEY

LANCE GILMAN
VICE-CHAIRMAN

JACK MCGUFFEY
COMMISSIONER

VANESSA STEPHENS
CLERK-TREASURER

Roll Call: Chairman McBride, Vice-Chairman Gilman, Commissioner McGuffey, County Manager Pat Whitten, District Attorney Anne Langer, Clerk & Treasurer Vanessa Stephens, Comptroller Hugh Gallagher, Community Outreach Director Cherie Nevin, Public Works Director Mike Nevin, Director of Security Melanie Keener, Sheriff Gerald Antinoro, Planning Director/Administrative Officer Austin Osborne, Communications Director Dave Ballard, Director of Tourism Deny Dotson, Battalion Chief Ron Atkins.

1. **CALL TO ORDER REGULAR MEETING AT 10:00 A.M.**

Meeting was called to order by the Chair at 10:01am

2. **PLEDGE OF ALLEGIANCE**

The Chair led those present in the Pledge of Allegiance.

3. **DISCUSSION/POSSIBLE ACTION:** Approval of Agenda for September 20, 2016

Motion: Approve Agenda for September 20, 2016, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

4. **DISCUSSION/POSSIBLE ACTION:** Approval of Minutes for August 16, 2016

Motion: Approve Minutes for August 2, 2016, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

5. CONSENT AGENDA:

I. For possible action: Approval of Treasurer's Report for August 2016.

II. For possible action: Approval of claims for payroll dated 08/31/2016 for \$76,119.19, dated 08/31/16 for \$126,247.31, dated 09/09/16 for \$502,663.69 and accounts payable dated 09/02/16 for \$265,725.52, 09/02/16 for \$9,459.56 and 09/08/16 for \$1,121.66.

III. For possible action: Approval of Assessor's recommended corrections to 2016-17 Secured Tax Roll for Clerical Error.

IV. For possible action: Approval of Assessor's recommended corrections to 2016-17 Secured Tax Roll for Exemptions

V. For possible action: Approval of First Reading Business Licenses:

A. IAT CO., LTD. - Contractor / Fukushima JAPAN (equipment startup)

B. TOTAL FACILITY SOLUTIONS, INC. - Contractor / 1001 Klein Road ~ Plano, TX (mech cont)

C. SOUTHLAND INDUSTRIES - General / 96 Megabyte (hvac, plumbing design) TRI

D. TKO STAFFING, INC. - General / 10600 University Ave ~ Coon Rapids, MN (staffing)

E. VALDO MAINTENANCE, LLC dba VT Maintenance - General / 88 Megabyte (truck repair) TRI

F. RUBYCOM ENGINEERING, INC. - Contractor / 488 Fukujima JAPAN (equipment startup)

G. MITSUTEC CO., LTD - Contractor / 134-1 Nakamura JAPAN (equipment startup)

H. INTERMOUNTAIN SLURRY SEAL - Contractor / 1120 Terminal Way ~ Reno (pavement preserv.)

I. TAIYO MACHINERY MFG CO., LTD - Contractor / 1-11-27 Osaka JAPAN (equipment startup)

J. PERO CORPORATION - Contractor / 900 G River Street ~ Windsor, CT (equipment startup)

K. ELWOOD STAFFING SVC., INC dba Elwood Staffing and Elwood Tradesmen - General / 4111 Central Ave ~ Columbus, IN (staffing agency)

L. AM TECHNICAL SOLUTIONS, INC. - Contractor / 2213 RR 620 N #105 ~ Austin, TX (purity testing)

END OF CONSENT AGENDA

Motion: Approve Consent Calendar for September 20, 2016, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

6. **DISCUSSION ONLY (No Action - No Public Comment):** Committee/Staff Reports

Sheriff Gerald Antinoro:

- Reminder - this is the week of Street Vibrations and the town will be full with motorcycles by the end of the week. C Street will be closed to all but motorcycle parking later in the week, use caution and be patient.

- It appears that the agreement between the Department of Agriculture and the horse groups has imploded. Efforts to remove the herds from town have fallen apart. Anyone with horse issues should contact the Department of Agriculture and tell them to take care of their horses.

Communications Director Dave Ballard:

- The Communications office continuously receives information from other agencies regarding fallen police officers, fire personnel, and service animals.
- Danielle Meares from the office has been working with the high school to put together a gathering to honor public safety officials during the October 8th football game with Smith Valley at Virginia City High School. Response has been good. Everyone is welcome to attend, kickoff is at noon.

Director of Tourism Deny Dotson:

- During the last two weeks the Camel Races and the Way it Was Rodeo events were held. Record crowds attended the Camel Races and the rodeo was a unique production and great event. Members of the Reno Rodeo Association were in attendance and were very impressed with the new location.
- Street Vibrations begins this Thursday with a poker run and vendor set up. Most of C Street will be closed on Saturday for "motorcycle only" parking.
- The Outhouse Races will be held October 1st and 2nd with road closures similar to those of Street Vibrations. This event has grown considerably in the last couple of years.

County Manager Whitten commented the rodeo was an amazing event.

Community Chest, Shaun Griffin:

- The annual library fundraiser is set for October 28 at Pipers Opera House. "Poor Man's Whiskey" will be performing - tickets are \$40. Everyone is invited.

Lockwood Community Center, John Miller:

- Louise Peri Park has been used every weekend since June including the Lockwood 100 year centennial and National Night Out.
- Improvements that are needed at Louise Peri Park include a new sign, a new light across from the park, and on the road coming up to the park. Also flower beds across from the ball park and in front of the sign. New locks on the restrooms are also needed.
- Most of the weeds have been removed from the Community Garden but a front-end loader is needed to level out the rest of the garden.
- Thank you to the Sheriff for monitoring Peri Ranch Road, speeding has been lowered.

Community Outreach Director, Cherie Nevin:

- Flu Shot Clinic will be held at the Virginia City Senior Center, September 29th - 9AM to noon. All are welcome to attend - most insurances are accepted, no one will be turned away based on ability to pay.
- Mark Twain Community Center is hosting a Health Fair on October 8th, from 9AM to 3:30PM. The Nevada Health Center Mammovan will be present along with other health care and welfare vendors.
- The Comstock Firemen's Museum-Liberty Engine Company has been invited and will participate in the 150th year celebration of the San Francisco Fire Department.

- Recently at a meeting of the Comstock Crawlers held at the Mark Twain Community Center, one of the newly acquired portable, automatic external defibrillators (AED) was put to use during an incident that took place at this meeting. These units do save lives.

Mr. Whitten: Five more of the AED's are being placed at strategic locations.

Public Works Director, Mike Nevin:

- Cape slurry seal project in Virginia City Highlands will be finished in a couple of days.
- The chip-seal portions of the project will start next week in Lockwood and TRI - the Highlands to start September 29th. The chip portion of the project moves quickly.
- Slurry will begin October 10th and will take more time to set. There may be short traffic delays during this portion.
- The siphon line under Highway 580 should be in service by the end of next week.
- The park project in Virginia City will begin this week with installation of the pavers first and the new playground equipment next week.

Comptroller, Hugh Gallagher:

- The certified audit is going very well and will most likely be submitted to the Board prior to the October 30th statutory date.
- There are two new requirements under the Government Accounting Standards Board that may take time. An actuary will be hired who will do the calculations. The length of time this will take cannot be determined at this time.
- At a meeting of local government finances, another GASB requirement regarding leases was discussed.

Planning Director/Administrative Officer Austin Osborne:

- The parking lot project is moving along. A pre-bid, mandatory meeting for contractors has been held. Twelve contractors attended this meeting. This should be a short project with a 90-day construction period, and possibly 30 additional days if an alternate bid for paving is done at the same time. This may be done later.
- The parking lot project will include general landscaping, street lights, and other things to compliment the courthouse.
- This will not be just a parking lot, but also a multi-purpose center for events such as farmers market and things like that.
- During construction optional parking will be created along B Street and other areas so there will be as little disruption as possible.
- Still working with the County's team and the BLM on the Lands Bill. BLM has definitely heard the County's concerns on how to engage the process of transferring the land in accordance with established BLM procedures. Language is being clarified in order to convey the land from the BLM to the County and then to the respective property owners.

County Manager Pat Whitten:

- The construction of the parking lot will be a disruption to residents and employees but this project needs to be done for the good of all.
- Instead of calling the Department of Agriculture regarding wild horse issues as encouraged by the Sheriff, Mr. Whitten would like to call the Governor's Chief of Staff, Senator Settlemyer,

and Assemblyman Wheeler. Mr. Whitten has multiple emails out to NDOT and the Department of Agriculture regarding horse issues.

- SR342 has been completed through Gold Hill/Silver and is a thing of beauty. Comstock Mining, Inc. paid for the reconstruction of this section of roadway although it was determined that CMI was not responsible for the failure of the road. CMI paid approximately \$3 million to cap the Silver Hills Shaft, re-route a portion of SR342, establish creek culverts, and create a fix for a decades-old problem. CMI is owed a big debt of gratitude for what has been done.

Lockwood/River District, Merilee Miller and Larry Huddleston:

- Presented a picture album including verbage and history of the River District to be used in the new County museum. This album covers the 100 year history from the beginning to current day. Copies can be made available at a minimal cost of approximately \$34.

Mr. Whitten: The County Recorder has resources in terms of binding these albums if Ms. Miller and Mr. Huddleston are interested. This could drive the cost of album down. This album is what was hoped for to be included in the museum.

- The Community Center has been re-painted with the help of volunteers from Fallon Naval base. A new floor has been installed along with new switch plates.
- The next project will be to replace kitchen cabinets. This will be done at no expense to the County.
- The Paws to Read program continues twice a month along with monthly bunco and card games.

7. DISCUSSION ONLY/NO ACTION: Update from Staff regarding the ongoing zip code issue

County Manager Whitten stated this has been an issue for almost 20 years. Thank you to retired Congressman John Porter and the Porter Group engaged to assist in a resolution.

- The issues are the misallocation of sales tax revenue and increased costs that the County and County businesses pay when zip codes are not accurate.
- Locally, the County entered into a memorandum of understanding with the Department of Taxation that allows the County to conduct "spot audits".
- A summary has been provided by the Porter Group that gives the current status of this issue. There are both "bright" and "dark" moments in the summary:
 1. There is now a House over-sight government reform committee that wants to introduce a postal reform bill as a way to address a number of issues in the USPS.
 2. Congressman Porter met with that committee to discuss if Storey County would have some applicability in this bill.
 3. The County received notice that language had been added into the bill that calls for a single, unique zip code for Storey County. There are some problems with this bill.
- The single, unique zip code is potentially a problem already solved. There is one in Virginia City - 89440. This does not mean that Lockwood and TRI will have any resolution in this matter given the way the bill is worded and might be interpreted by the USPS.
- The bill has a slim but fair chance in succeeding this year in that there are several large corporations pushing this.

- Concerns have been raised regarding the out-clauses and ambiguities with the Postal Service and the committee. The Post Office was not enthusiastic about using the 89440 zip code for the TRI area.
- There are a lot of individuals in support of the bill- this could change after November 8.
- Utah Congressman, Chairman Chaffetz, along with house leadership, is pushing hard on this bill. Senator Reid, through staff, indicated he really wants to see this done before leaving office as his legacy to Storey County.

No Public Comment.

8. BOARD COMMENT (No Action – No Public Comment):

Commissioner McGuffey:

- There was a great response to the request for mattresses by St. Mary's Art Center. As of this week the drive is over as all mattresses needed were received. Thank you to all who donated.
- Attended the V&T Railway Reconstruction Commission meeting, along with Pat Whitten and Deny Dotson:
 1. The BDR to shrink the Board from nine members to five was approved at the last County Commission meeting.
 2. The tourism directors from Virginia City and Carson City would be on that Board.
 3. Ridership currently averages 110, but can carry 144. The train is not carrying its weight right now.
 4. A public round-table was held at this meeting to discuss public awareness and increase of ridership.
 5. Many believe the BDR is a good thing to move forward.
 6. Not much will happen until the BDR passes – or not.
 7. It appears that the ¼ cent tax from Storey County was being taken by the Commission and put into the budget- even though there is a clause that the money be requested with an explanation of what it was for.
 8. Not knowing where the money was going, Storey County has held on to the funds for some time. There is approximately \$592,000 being held. It was always intended that this would be spent on the V&T at this end of the line.
 9. The County agreed to release \$200,000 to help get Engine No. 18 running.
 10. The County will hold the rest of the money and hopefully obtain a new memorandum of understanding on how to work together.
 11. The County wants the V&T to succeed. It is great for the town.
 12. A bridge and structure management program was adopted as directed by the Federal Railway Commission.
 13. Tickets for the Polar Express went on sale August 1st. VIP tickets are 80% sold; coach tickets are 40% sold. More runs have been added this year.

Mr. Whitten: This was an interesting meeting. The County received first-hand confirmation of the lack of quality and discipline in the financial accounting. There was a lot of confusion. Mr. Whitten and Commissioner McGuffey have talked to other local County government officials and all are in support of the BDR. There is a cooperative and willing Chair (of the NCRVTR) that is looking to market and to collaborate with the VCTC and the Carson City CVB. Hopefully with these groups,

this can begin to be a better project. After a review of records, it is clear the Polar Express keeps this project going.

Vice Chairman Gilman:

- Thank you to Merilee Miller and Larry Huddleston for the wonderful book on the history of Lockwood. There is also a video put together by Mr. Huddleston which also may be appropriate for the County Museum. This is well done and very timely.
- Many of the projects happening at TRI are under the control of non-disclosure agreements.
- From a high level, Tahoe Reno Industrial Center has found its place on the world stage.
- Catalonia, out of Spain, has been relocating to Silicon Valley and is looking to expand. This could entail anywhere from 12 to 15 new high-tech, bio-tech companies looking at relocation to Storey County.
- Right now TRI has 5,000 acres of possible transactions with letters of intent, contracts being negotiated, or serious discussions between now and the end of the year.
- Storey County is impacting and driving everything that is happening in Northern Nevada.

Chairman McBride:

- Met with Walker & Associates, County lobbyists, gearing up for the 2017 Legislative session. So far there are approximately 450 bill draft requests (BDR). There are a lot of issues on water and on property taxation, among others.
- Storey County is in partnership with Carson City, Lyon and Douglas Counties, in a legislative coalition. Meetings are held once month, but will be held more frequently once the session begins.
- This has been an action-packed summer for special events. The camel races had probably one of the best turn-outs ever and the rodeo was great and professionally run.
- Resident Ardell Gray recently passed away. The Gray family has a great connection to Virginia City and the County would not have the train today if it wasn't for the Gray family. Condolences to Bob Gray and the Gray children.

9. **DISCUSSION ONLY (No Action):** Provide an overview of the State of Nevada Community Development Block Grant (CDBG) Program for the upcoming 2017 grant application cycle.

Cherie Nevin, Community Outreach Director, presented this item – the first of three informational meetings required as conditions of the Community Block Grant Program (CDBG).

- Today's purpose is to present information on CDBG and past Storey County projects, how to apply, eligibility requirements, how and where funds can be used, and to give residents the opportunity to submit ideas for possible projects.
- There is approximately three weeks before the next meeting in which the public can submit ideas, which are then submitted to CBDG.
- CDBG will review the ideas and approve whether or not they can be submitted.
- A final hearing will be held to approve and rank applications. The County can submit two.
- CDBG has been around for many years and is administered through the Governor's Office of Economic Development. Storey County has received funds since the early 1980's.
- Funds from this program are Federal funds under Housing and Urban Development (HUD).
- CDBG focuses on projects for three goals:
 1. The development of suitable living environments;

2. To provide decent housing;
 3. The creation of economic opportunities in rural parts of the state. This is the number one focus for Community Development Block Grants in Nevada.
- Most recent CDBG projects in Storey County include:
 1. Acquisition of an ambulance for the River District;
 2. New kitchen equipment and repairs to vehicles for the Storey County Senior Center;
 3. Significant upgrades to the ADA access at the swimming pool;
 4. Worked with RSVP's Rural Transportation Program;
 5. Upgrades to Virginia City and Gold Hill sewer system;
 6. County-wide flood plan funding;
 7. Working with the Canyon GID and wastewater construction.

The shift of focus to economic development means the request must be tied to job creation as a result of the project.

Ideas from the public need to be submitted to Ms. Nevin by October 5th and can be done by phone, email, or in person. Recommendations will be presented to the Commission at the October 18th meeting. Once approved, the recommendations will be sent to the State for eligibility determination.

Mr. Whitten: Suggested Ms. Nevin meet with Mr. Osborne and Mr. Whitten to review a recent meeting with Northern Nevada Development Authority (NNDA) regarding potential projects.

10. DISCUSSION/POSSIBLE ACTION: Approval of Resolution 16-446 setting forth the intent of Storey County, Nevada to reimburse out of Bond Proceeds the cost of certain projects related to the Virginia Divide Sewer System- Replacement of Wastewater Collection Lines in Virginia City and Gold Hill with a loan of \$4,058,000.00 and a grant in the amount of \$8,987,000.00.

Cherie Nevin presented this item. This Resolution allows the County to finance - out of County funding - pre-construction related costs of this project before the permanent loan kicks-in to finance these costs.

Comptroller Hugh Gallagher explained the first phase of this project was through Wells Fargo, with interest and fees accumulating from the beginning of the project rather than as funds were withdrawn. The County now self-finances. The original amount in the paperwork was \$1.8 million which has been drastically reduced to \$250,000 - which is reimbursed through the grant per an IRS ruling. The County did not have this ability on the first phase, but that has changed and if the County takes advantage of this it will save money.

Mr. Gallagher said right now the committed interest rate is 2.125%. The next rate adjustment will be December 9th - it is believed the rate will go to 1.375%. The resolution will be done, and we can then apply based on what we think the rate will be. For the water project, the rate is approximately 1.875% and for community facilities the current rate is 2.375%, if there is something that needs to be done. This should be discussed to see if there is something the County wants to do and get it submitted.

Mr. Whitten: It is great to focus on \$9 million in grant money, but for purposes of a conservative, fiscal government, the focus needs to be on \$4 million plus in loans - even though at a greatly

reduced rate. In the interest of full disclosure, periodically the County conducts water and sewer rate studies. Keep in mind this is just a sewer loan at this stage - (water and sewer) rates have been increased over the last five or so years for the first time in many years and to cover debt service on the loan for the plant. Raising rates again now is not an option. As the County begins to incur this debt, the source of payment will probably not come from continual (rate) increases. Initially it would be proposed that portions of the ¼ cent infrastructure tax be dedicated to debt payment where analysis indicates that more than enough funds are generated consistently to cover the payment, even at the higher rate. This debt is spread over 40 years.

Cherie Nevin read the resolution title:

A resolution setting forth the intent of Storey County, Nevada to reimburse out of bond proceeds the cost of certain projects related to the Virginia Divide Sewer System- Replacement of Wastewater Collection Lines in Virginia City and Gold Hill with a loan of \$4,058,000.00, under Internal Revenue Code Regulations, Section 1.150-2; providing certain details in connection therewith, and providing the effective bond date hereof.

No Public Comment

Chairman McBride: This is a great deal for the County. This is one way to see tax dollars sent to Washington come back to the County - this money is not being wasted. A grant of \$9 million is outstanding and to borrow \$4 million is a lot of money but the end result is a new sewer system throughout the Virginia City/Gold Hill area.

County Manager Whitten: Thanks to Mike Nevin for this project. Mr. Nevin, although retiring at the end of year, has agreed to oversee this project post-retirement.

Motion: Approve Resolution 16-446 setting forth the intent of Storey County, Nevada to reimburse out of Bond Proceeds the cost of certain projects related to the Virginia Divide Sewer System- Replacement of Wastewater Collection Lines in Virginia City and Gold Hill with a loan of \$4,058,000.00 and a grant in the amount of \$8,987,000.00, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary: Yes=3)**

11. DISCUSSION/POSSIBLE ACTION: Appointment of Storey County representative and alternate representative to serve as a voting member on the Governor appointed Nevada State Land Use Planning Advisory Council (SLUPAC) for the three-year 2016-2019 term.

Planning Director Austin Osborne stated that he has been serving on the SLUPAC since 2008. This is an advisory board for the Governor's office and State Lands that meets quarterly across the state to handle planning related issues.

No Public Comment

Motion: In accordance with the recommendation by staff, and as accepted by the Nevada State Governor's Office, I Lance Gilman hereby approve re-appointment of Planning Director Austin Osborne to serve as a voting member of the Nevada State Land Use Planning Advisory Council (SLUPAC) and appointment of Planner Jason VanHavel to serve as the alternate voting member on

the SLUPAC board for the three-year 2016-2019 term, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, (Summary: Yes=3)

12. DISCUSSION/POSSIBLE ACTION: Special Use Permit 2016-023, by John and Elizabeth Huntington. The Applicant requests a Variance for a reduced setback to zero feet from the required eight feet side setback and 20 feet rear setback for the placement of a proposed garage on the property located at 166 S E Street, Virginia City, Storey County, Nevada, APN: 001-141-08.

Commissioner McGuffey recused himself from voting on this item due to employment with the building contractor who is completing the project.

Austin Osborne presented this item and pointed out this is a Variance request not a Special Use Permit request. The agenda packet is clear on what is being requested and the Planning Commission approved the variance. Mr. Osborne believes the information that this is a variance request is clear and the Commission should be able to move forward today.

District Attorney Langer: Agrees with Mr. Osborne's statement. The content of the agenda item talks about the applicant requesting a variance and the documents attached to the request refer to a variance.

Mr. Osborne: This is a simple project located at 166 S. E Street, backing up to D Street.

- The owners request a setback to zero feet to the side and rear of the property to build a garage.
- In 2014, the Planning Commission and this Commission, after going through a process, approved a zero residential setback area for the downtown area of Virginia City.
- The boundary follows most of the commercial uses. The boundary went around this property but included the (neighboring) school. Allowing a zero setback on this property would create a more consistent use of buildings abutting each other on D Street. Across the street and to the other sides, properties are already allowed to have zero setback without variances.
- There would be 5 feet between the school and the garage due to an existing sidewalk.
- Conditions that are part of the approval include stabilizing a slope, construction of barriers along D Street, and complying with Fire Department requirements.

No Public Comment

Mr. Osborne read the Findings for Approval:

6.1 The Findings listed in this subsection are the minimum to be cited in an approval or approval with conditions. The following Findings are evident with regard to the requested Variance when the recommended conditions in Section 7 are applied. At a minimum, an approval or conditional approval must be based on the following Findings:

6.1.1 That because of special circumstances applicable to the subject property, including shape, size, topography or location of surroundings, the strict application of the zoning ordinance would deprive the subject property of privileges enjoyed by other properties in the vicinity under identical zone classification; and

6.1.2 That the granting of the Variance is necessary for the preservation and enjoyment of substantial property rights of the applicant; and

6.1.3 That the granting of the Variance will not, under the circumstances of the particular case, adversely affect or materially degrade the health or safety of persons residing or working in the area of the subject property and will not be materially detrimental to the public welfare or materially injurious to property or improvements in the area of the subject property; and

6.1.4 The proposed Variance is in compliance with all Federal, Nevada State, and Storey County regulations; and

6.1.5 The proposed Variance is in compliance with Storey County Code 17.03.140 Variances and 17.30 CR Commercial Residential Zone when all Conditions of Approval are met; and

6.1.6 The proposed Variance is in compliance with and supports the goals, objectives and policies of the 2016 Storey County Master Plan.

Vice Chairman Gilman commended the Planning Commission on the great they are doing.

Motion: In accordance with the recommendation by Staff, the Planning Commission, the Findings under Section 6.1 of the Staff Report and other Findings deemed appropriate by the County Commission and in compliance with all Conditions of Approval, I, Lance Gilman, recommend approval with conditions for Variance Number 2016-023 for a reduced setback to zero feet from the required eight feet side setback and 20 feet rear setback for the placement of a proposed garage on the property located at 166 S E Street, Virginia City, Storey County, Nevada, APN: 001-141-08, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Chairman McBride, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=2)

13. **DISCUSSION/POSSIBLE ACTION:** Special Use Permit 2016-021, by Jason and Pauline Yasmer. The Applicant requests a Variance for a reduced setback by ten feet from the required 30 feet front setback to 20 feet for the placement of a proposed garage on the property located at 21440 Delta Dr., Virginia City Highlands, Storey County, Nevada, APN: 003-014-29.

Senior Planner Austin Osborne requested this item be continued to a meeting in the future, date not determined.

Motion: To take no action on this item, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

14. RECESS TO CONVENE THE STOREY COUNTY LIQUOR LICENSE BOARD

15. **DISCUSSION/POSSIBLE ACTION:** Approval of the second reading for a liquor license for the Virginia City 601 Vigilance Committee, Fred Dutton, at 120 S B St, Virginia City, NV.

County Manager Whitten stated that the Sheriff has found no disqualifiers for this applicant in the course of investigation and therefore recommends approval of this item.

No Public Comment.

Motion: Approve second reading for a liquor license for the Virginia City 601 Vigilance Committee, Fred Dutton, at 120 S B St, Virginia City, NV, **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

16. ADJOURN TO RECONVENE AS THE STOREY COUNTY BOARD OF COMMISSIONERS

 SS. HARRIS ACQUISITION III, LLC dba Superior Air Handling - Contractor / 200 East 700 South ~ Clearfield, UT (mechanical contractor)
 TT. AQUA METALS RENO, INC. - General / 2500 Peru Drive (battery recycling facility) TRI

On behalf of the Community Development Department, Mr. Whitten requested items C., V., and TT., be continued.

No Public Comment.

Motion: Continue items C., V., and TT., **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

Mr. Whitten said Community Development Department recommends approval of items A. and B., D. through U., and W. through SS.

Motion: Approve items A. through SS., excluding items C., VV., and TT., **Action:** Approve, **Moved by:** Vice Chair Gilman, **Seconded by:** Commissioner McGuffey, **Vote:** Motion carried by unanimous vote, **(Summary:** Yes=3)

18. CORRESPONDENCE:

- Storey County Fire Protection District Monthly Report for August 2016.

19. PUBLIC COMMENT (No Action):

Nicole Barde, Storey County Resident: Ms. Barde asked about the anonymous letter that was in the mail directing recipients to a website and is the information public record? This was a redacted copy - where can a full copy be obtained, and how did it get out?

District Attorney Langer: No, it is not (public record). It's a confidential document, there is no more comment on this subject.

County Manager Whitten responded no, it is not public record. It did not come from Storey County. Storey County followed its normal procedures and processes - there is no way to answer the question.

20. ADJOURNMENT

The meeting was adjourned by the Chair at 12:25 AM

Respectfully submitted,

By: 
Vanessa Stephens Clerk-Treasurer

Storey County Board of County Commissioners Agenda Action Report

Meeting date: 10/18/16

Estimate of time required: 30 min.

Agenda: Consent [] Regular agenda [x] Public hearing required [x]

1. **Title:** Discussion/Possible Action: The applicant requests a variance allowing the required 60 foot front setback (or 50 percent of the lot's depth) distance between an accessory building and the property easement line to be reduced to 10 feet for the placement of an accessory garage on the subject property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada, APN 003-014-29.

2. **Recommended motion: (Recommended motion for approval)** In accordance with the recommendation by staff and the planning commission, the findings of fact under Section 5.1 of this report, and other findings deemed appropriate by the Storey County Board of County Commissioners, and in compliance with the conditions of approval, I [commissioner] motion to approve with conditions Variance No. 2016-021 allowing the required 60 foot front setback (or 50 percent of the lot's depth) distance between an accessory building and the property easement line to be reduced to 10 feet for the placement of an accessory garage on the subject property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada, APN 003-014-29.

Staff Report**

CASE NO.: 2016-021

APPLICANTS: Jason and Pauline Yasmer

PROPERTY OWNERS: Jason and Pauline Yasmer

PROPERTY DESCRIPTION: 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada APN 003-014-29

REQUEST: The applicant requests a variance allowing the required 60 foot front setback (or 50 percent of the lot's depth) distance between an accessory building and the property easement line to be reduced to 10 feet for the placement of an accessory garage on the subject property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada, APN 003-014-29.

MEETING LOCATION: **Storey County Courthouse
26 South "B" Street, Virginia City, Nevada**

MEETING TIME & DATE: **10:00 a.m., Tuesday, October 18, 2016**

STAFF CONTACT: Austin Osborne, Planning Director

I. BACKGROUND & ANALYSIS

1.1 Site characteristics

The subject property is located in the E-1-VCH zone. This zoning designation exists only in the Virginia City Highlands one-acre parcels. The property is located at 21440 Delta Drive approximately 0.3 miles southwest from Cartwright Road. The parcel is approximately one acre and includes an existing single-family residential dwelling owned by the applicants. The two-story dwelling has an approximately 1,500 square-foot base footprint and is situated toward the front southwest corner of the parcel facing parallel to Delta Drive. Two driveways for vehicular access exist on the property, the principal driveway located to the west side of the residence and a secondary driveway located on its east side. Both driveways approach from the front of the property and terminate alongside the residence at a point of 40 feet or less. The remaining property is vacant except for several small accessory storage structures located to the immediate east of the principal residence. The undeveloped areas of the property are of steep topography that decline from Delta Drive in a northerly direction. It appears that substantial grading, filling, and other construction would be required in order to build on much of the remaining property.

Local street access (Delta Drive) is facilitated within a 50-foot-wide easement that encroaches into the subject property. This is a typical situation for properties throughout the Virginia City Highlands. For parcels having this encroaching easement, the required front building setback distance is from the easement line, not the front property line. This setback requirement was ratified as part of the 2012 Storey County Zoning Ordinance update in order to prevent structures from being built near or on access roads. Figures 1 - 3 illustrate this easement configuration and how it potentially affects existing and proposed uses on the property. The principal residence despite being constructed prior to 2012 appears to meet current setback distance requirements.

1.2 Proposed use

The applicant proposes to construct a detached accessory two-car garage over an existing unpaved driveway adjacent to the southwest corner of the principal residence. The structure as proposed will encroach approximately 50 feet into the required front setback area for accessory structures, which is approximately 20 feet into the required front setback area for principal structures. This will cause the remaining distance between the new garage and the Delta Drive easement to be approximately 10 feet, and the distance between the structure and the actual roadway to be approximately 15 feet. It should be noted that a typical single-family residential zone front setback distance is a minimum of 20 feet. Accordingly, staff recommends that the garage not be permitted to have vehicle access openings facing Delta Drive.

1.3 Abutting uses

The west and north abutting parcels are vacant. Single-family residences and their detached accessory multi-car garages exist on the east and south abutting parcels. The abutting residences and detached garages are relatively similar to that proposed by the applicant. Overhead electrical utility lines run along the south shoulder of Delta Drive. Their proximity to the propped garage, however, will exceed 30 feet and do not appear to conflict with the proposed structure. There are

no other known above or below ground utilities existing in the immediate area. Delta Drive, like most local access roads in the area, is unpaved; therefore, special improvements to prevent mud-tracking from the driveway to Delta Drive do not appear to be necessary.

1.4 Safety

The International Residential Building Code (2012) requires one-hour fire resistive construction for structure walls located less than 3 feet of a property line or other building. The proposed structure may be located closer than 10 feet, but does not appear to be located less than 3 feet, to the existing principal residence on the subject property. The Storey County Building Department and Fire Protection District may require fire resistive construction if the garage is built in close proximity to the existing residence. The code will require application of Class A roofing materials such as asphalt composition shingles.

1.5 Area impacts

The proposed use appears to impose minimal impacts on the surrounding uses. The building appears to have no adverse visual impact on the area, including for vehicles and pedestrians on Delta Drive, and it will not obstruct the viewshed of any abutting use. Despite the 50 foot encroachment into the required front setback area for accessory structures, the garage will remain 15 feet or more from the actual Delta Drive roadway. As such, all vehicle access openings should be situated to the east or west respectively into the front and side yard of the principal residence and not to the south into Delta Drive.

The garage may include outdoor lighting typical to non-commercial single-family residences in the area. Outdoor lighting must comply with SCC Chapter 8.02 Dark Skies in order to prevent light trespass adjacent properties.

Lastly, the driveway to the garage and its immediate surroundings should be graded such as to mitigate any increase in stormwater caused by the development. Increased stormwater should be detained on-site, directed toward existing drainages along Delta Drive, or otherwise directed away from abutting private properties not owned by the applicant.

This area intentionally left blank

Figure 1: Vicinity Illustration. General vicinity and illustration of Delta Drive easement boundary.

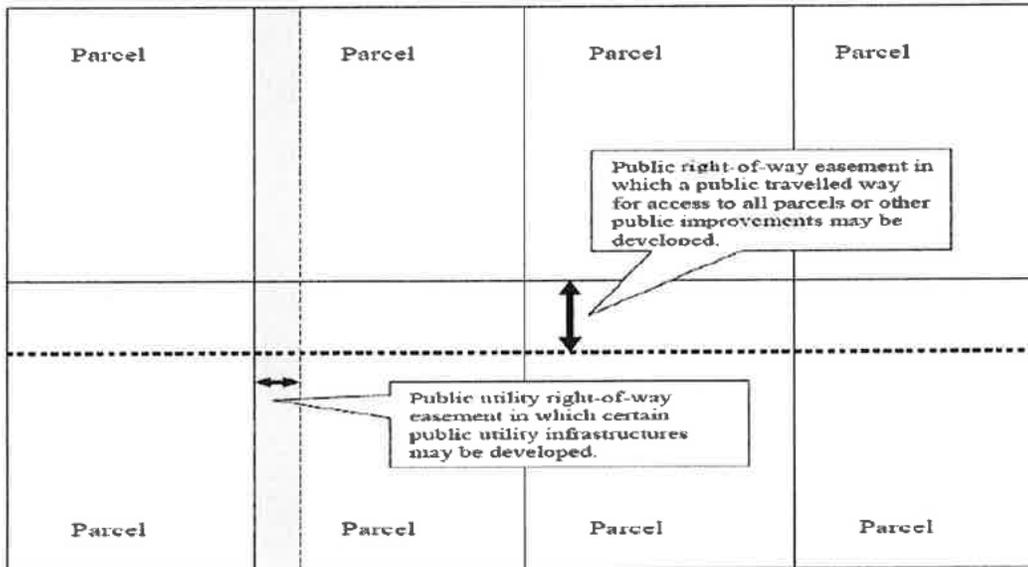

Figure 2: Excerpt from SCC 17.12.090 Access and Right-of-Ways. The illustration is described in the code as follow: "Only the lower parcels include easemetns for public right-of-way development. Required building setbacks must be from that easement line in accordance with Section 17.40.050."

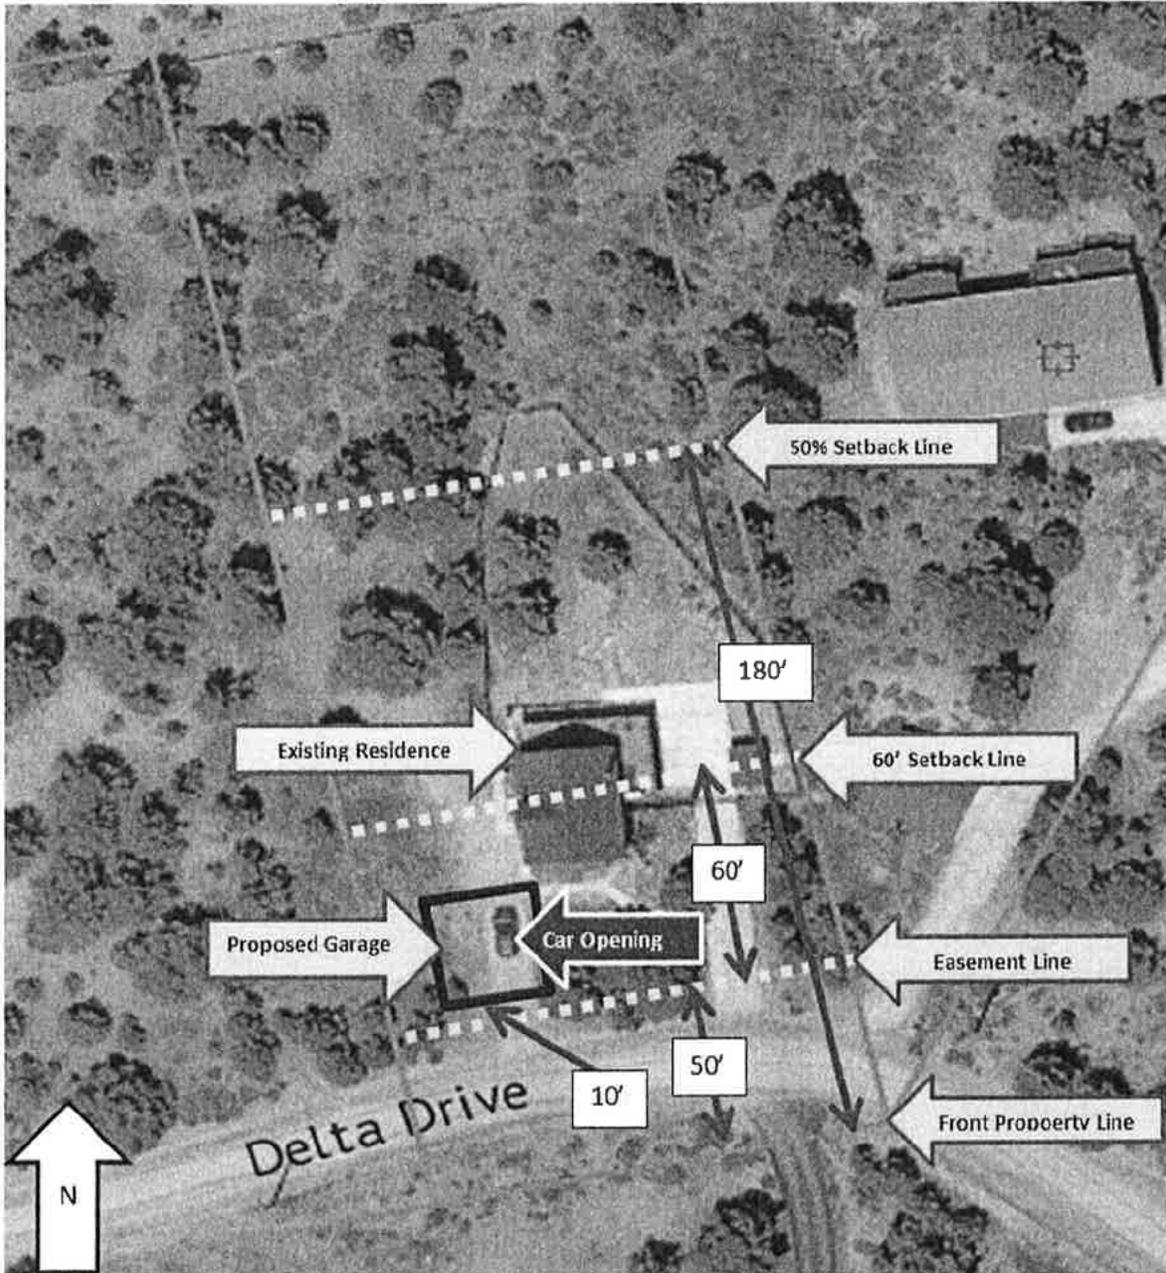

Figure 3: Existing and Proposed Conditions. The required front setback between the accessory garage is 60' from the Delta Drive easement boundary or 50 percent of the lot's depth, whichever is less. Setback distances for accessory structures are different than for the principal structure such as the primary residence. The primary residence may be located up to 30' of the Delta Drive Easement boundary.

II. USE COMPATIBILITY AND COMPLIANCE

2.1 Compatibility with surrounding uses and zones

The following table shows uses, zoning classifications, and master plan designations for the land at and surrounding the proposal. There are no evident conflicts between the proposal and SCC Title 17 Zoning or the county master plan. The proposed use is also consistent with the surrounding single-family residential uses.

AREA DESCRIPTION			
	LAND USE	MASTER PLAN DESIGNATION	ZONING
APPLICANT'S LAND	Single-family residence	Estate Residential with one-acre minimum.	Estate 1-acre (E-1-VCH)
LAND TO NORTH	Vacant	Estate Residential with one-acre minimum.	Estate 1-acre (E-1-VCH)
LAND TO SOUTH	Single-family residence with detached garage toward Delta Dr.	Estate Residential with one-acre minimum.	Estate 1-acre (E-1-VCH)
LAND TO EAST	Single-family residence with detached garage toward Delta Dr.	Estate Residential with one-acre minimum.	Estate 1-acre (E-1-VCH)
LAND TO WEST	Vacant	Estate Residential with one-acre minimum.	Estate 1-acre (E-1-VCH)

2.2 Compatibility with required setback regulations

Required setback distances for principal structures (i.e., the existing residential dwelling) in the E-1-VCH Zone (Virginia City Highlands) are established in SCC 17.40.050. The required setback distances are 30 feet front, 15 feet side, and 40 feet rear. However, the required front setback distance for accessory structures in the E-1-VCH Zone (established in SCC 17.12.045) is 60 feet or 50 percent of the depth of the lot, whichever is less, to the property line. For parcels similar to that of the applicants that have an encroaching front access easement, the setback distance is from this easement line, not the front property line. Figures 1-3 illustrate this condition.

Under the proposed setback variance, there will remain approximately 10 feet distance between the garage and the Delta Drive easement boundary. Note that there will remain approximately 15 feet of actual distance between the garage and the Delta Drive roadway. The proposed garage appears to conform to the required side and rear setback distances.

2.3 Compatibility with distances between buildings

The Storey County Code requires a minimum 6 feet separation between the principal and accessory buildings. The draft plot plans provided in the application (see Exhibit B) shows approximately 10 feet separation between the existing and proposed structures.

2.4 General variance allowances and restrictions

A variance to the required building setback distances may be granted by the board with action by the planning commission as allowed by SCC 17.03.140 where by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of enactment of the regulations, or by reason of exceptional topographic conditions or the extraordinary and exceptional situation or condition of the lot or parcel, the strict application of the regulations enacted under the regulations would result in peculiar and exceptional practical difficulty to, or exceptional and undue hardship upon the owner of the property. The approval, approval with conditions, or denial of the variance request must be based on findings of fact that the proposed use is appropriate or inappropriate in the location. The findings listed below are the minimum findings to be cited in a motion for approval.

1. Because of the special circumstances applicable to the subject property, including shape, size, topography, or location of surroundings, the strict application of the zoning ordinance would deprive the subject property of privileges enjoyed by other properties in the vicinity or under identical zone classification; and
2. Granting of the variance is necessary for the preservation and enjoyment of substantial property rights of the applicant; and
3. Granting of the variance will not, under the circumstances of the particular case, adversely affect to a material degree the health or safety of persons residing or working in the neighborhood of the subject property and will not be materially detrimental to the public welfare or materially injurious to property improvements in the neighborhood of the subject property.

These findings appear to apply to the situation that necessitates the proposed variance and the recommended motion for approval cites these findings as part of that motion.

2.5 Conformance with the 2016 Storey County Master Plan

The 2016 Storey County Master Plan designates the Virginia City Highlands as a Rural Residential community with parcels no less than one-acre. Section 3.5.3 Goals and Objectives for land uses in the Highlands (p. 120) states in Goal 1 that land use decisions, including the implementation of zoning and regulations in and around the Highlands area must preserve the rural residential character and conform to historic use patterns in the Highlands area. The proposed garage variance does not appear to conflict with this provision of the master plan.

III. USE COMPATIBILITY AND COMPLIANCE

The Storey County Planning Department and to its knowledge all other departments and offices of Storey County has received no public comment as of 09/23/16. Planning staff was approached by the south abutting neighbor during a site visit. The neighbor expressed satisfaction with the proposed variance allowing the reduced front setback for the garage. Additionally, a hearing of this variance request occurred at the 08/01/16 regularly scheduled hearing of the Storey County Planning Commission. The meeting was attended by the south abutting neighbor, but no public comment from them was made at the meeting.

IV. PLANNING COMMISSION AND BOARD ACTION

The Storey County Planning Commission heard and took action approving the variance subject to this report at its regularly scheduled meeting on 08/01/16. The motion of approval was scheduled to be heard on 09/20/16 by the Storey County Board of County Commissioners. However, at the board meeting the applicant expressed to staff a possible discrepancy between planning commission action and the staff report and agenda language to the board. Staff with agreement of the applicant requested the board to continue the item until the matter at-hand could be resolved. During further investigation staff also found that the required front setback to the Delta Drive easement boundary, not the front property line, applies to this case because the variance is for an accessory structure. Despite the circumstances causing no changes to the use as initially proposed by the applicant, staff found it appropriate to allow the planning commission opportunity to review all of the facts and take corrective action before the application proceeded to the board.

At its 10/06/16 hearing, the planning commission heard testimony from staff in the presence of the applicant and the public. The applicant verbally expressed concurrence with everything presented at the meeting. Planning staff provided aerial imagery, other written correspondence, and a verbal explanation of existing and proposed conditions related to the subject property and the proposed use. Discussion included existing and proposed accessory structure setbacks, topographic and geographic characteristics of the land necessitating the proposed variance, and stipulations of approval recommended by staff in order to mitigate potential adverse impacts caused by the variance. No public comment was expressed during the meeting.

Planning staff read into the record its recommended findings to be included with the motion of the planning commission. The planning commission voted unanimously (7 votes with all members present) to approve the variance in accordance with stated findings and the conditions/stipulations of approval.

This area intentionally left blank

V. FINDINGS OF FACT

5.1 Motion for approval

The following findings of fact are evident with regard to the requested variance when the recommended conditions of approval in Section VI Recommended Conditions of Approval, are applied.

1. The variance complies with all federal, state, and county regulations.
2. The variance will not impose substantial adverse impacts or safety hazards on the abutting properties or the surrounding area.
3. The conditions of the variance adequately address potential fire hazards and require compliance with the applicable fire codes, including setback and fire protection ratings.
4. The conditions under this variance do not conflict with the minimum requirements in Storey County Code Sections 17.03 Administrative Provisions, 17.12 General Provisions; and 17.40 E-1-VCH Zone, or any other federal, state, or county regulations, including building and fire codes.
5. Because of the special circumstances applicable to the subject property, including shape, size, topography, or location of surroundings, the strict application of the zoning ordinance would deprive the subject property of privileges enjoyed by other properties in the vicinity or under identical zone classification.
6. Granting of the variance is necessary for the preservation and enjoyment of substantial property rights of the applicant.
7. Granting of the variance will not, under the circumstances of the particular case, adversely affect to a material degree the health or safety of persons residing or working in the neighborhood of the subject property and will not be materially detrimental to the public welfare or materially injurious to property improvements in the neighborhood of the subject property.

5.2 Motion for denial. Should a motion be made to deny the variance request, the following findings with explanation why should be included in that motion.

1. Substantial evidence shows that the variance may conflict with the purpose, intent, and other specific requirement of Storey County Code Sections 17.03 Administrative Provisions, 17.12 General Provisions; and 17.40 E-1-VCH Zone, or any other federal, state, or county regulations, including building and fire codes.
2. The conditions under the variance do not adequately mitigate potential adverse impacts on surrounding uses or protect against potential safety hazards for surrounding uses.

VI. RECOMMENDED CONDITIONS OF APPROVAL

All conditions must be met to the satisfaction of each applicable county department, unless otherwise stated.

1. Purpose

This variance is granted for the purpose of allowing the required 60 foot front setback distance between a building and the property easement line to be reduce to 10 feet for the placement of a detached accessory garage on property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada APN 003-014-29. The placement and location of the subject garage must conform approximately to the illustration attached hereto as Exhibit A. The variance does not modify the existing required side (east and west) or rear (north) setback distances, or the required distance between the principal structure and accessory structure on the property.

2. Compliance

The variance must comply with federal, state, and county codes and regulations and the submitted plans and reports, as approved. The applicant must provide the Building division site plans drawn to scale prior to obtaining a building permit.

3. Permits and expiration

The holder of the variance must apply for all building and fire permits for the structure subject to this variance within 24 months from the date of board (Board of Storey County Commissioners) approval, and continuously maintain the validity of those permits, as appropriate, or this variance approval will become null and void.

4. Garage opening configuration

Due to the reduced setback distance to Delta Drive, the garage shall not have vehicle access openings on the south side facing Delta Drive. The structure shall be situated such that vehicles must enter from the west, east, or north facing sides only. The south exterior wall may have human access doors (“man-doors”) and windows as desired.

5. Property Owners Association Approval

The holder of the variance must obtain a Certificate of Architectural Appropriateness, or equivalent approval, from the Virginia City Highlands Property Owners Association and submit a copy of the certificate to the Building division prior to obtaining a building permit for the structure subject to this variance.

6. Record of survey

The holder of the variance must submit with the building permit application to the Building division a Record of Survey or valid evidence from a licensed surveyor illustrating the correct location of the west and south property lines of the subject property. The evidence must also show existing parcel boundaries, easements, and right-

of-ways. No building may be constructed over an easement or right-of-way other than that expressly allowed by this variance.

7. Existing easements and right-of-ways

The granting of this variance will not affect any existing easements or right-of-ways on the subject property.

8. Taxes paid

Before obtaining a building permit, the holder of the variance must show the Building division valid evidence that all property taxes on the land are paid to-date.

9. Stormwater management

The holder of the variance must grade the driveway and area around the garage such as to mitigate any increase in stormwater caused by the development. Increased stormwater must be detained on-site, directed toward existing drainage ways along Delta Drive, or otherwise directed away from abutting private properties not owned by the variance holder.

10. Indemnification

The holder of the variance agrees to hold Storey County, its officers and representatives harmless from the cost and responsibilities associated with any damage or liability, and any/all other claims now existing or which may occur as a result of this variance.

VII. POWER OF THE BOARD & PLANNING COMMISSION

At the conclusion of the hearing, the planning commission must take such action thereon as it deems warranted under the circumstances and announce and record its action by formal resolution, and such resolution must recite the findings of the planning commission upon which it bases its decision. The decision of the planning commission in the matter of granting the variance is advisory only to the Board of County Commissioners and that governing body must consider the report and recommendation and must make such a decision thereon as it deems warranted.

This area intentionally left blank

VIII. PROPOSED MOTIONS

This section contains two motions from which to choose. The motion for approval is recommended by staff in accordance with the findings under section 5.1 of this report. Those findings should be made part of that motion. A motion for denial may be made and that motion should cite one or more of the findings shown in section 5.2. Other findings of fact determined appropriate by the board should be made part of either motion.

A. Recommended motion

In accordance with the recommendation by staff and the planning commission, the findings of fact under Section 5.1 of this report, and other findings deemed appropriate by the Storey County Board of County Commissioners, and in compliance with the conditions of approval, I [commissioner] motion to approve with conditions Variance No. 2016-021 allowing the required 60 foot front setback (or 50 percent of the lot's depth) distance between an accessory building and the property easement line to be reduced to 10 feet for the placement of an accessory garage on the subject property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada, APN 003-014-29.

B. Alternative motion

Against the recommendation by staff and the planning commission, but in accordance with the findings of fact under Section 5.2 of this report, and other findings deemed appropriate by the Storey County Board of County Commissioners, I [commissioner] motion for denial of Variance No. 2016-021 to allow the required 60 foot front setback (or 50 percent of the lot's depth) distance between an accessory building and the property easement line to be reduced to 10 feet for the placement of an accessory garage on the subject property located at 21440 Delta Drive, Virginia City Highlands, Storey County, Nevada, APN 003-014-29.

INDEPENDENT AUDITORS' REPORT

To the Members
Tahoe-Reno Industrial Center, LLC and
to the Commissioners of Storey County, Nevada

We have audited the accompanying schedule of project revenue and net revenue (Schedule) of the TRI Public-Private Partnership (Project) for the year ended June 30, 2015, and the related notes to the schedule. The prior year summarized comparative information has been derived from the Project's 2014 schedule of project revenue and net revenue and, in our report dated March 17, 2015, we expressed an unqualified opinion on that schedule.

Management's Responsibility for the Schedule

Storey County is responsible for the preparation and fair presentation of this schedule in accordance with the development agreement between Storey County, Nevada and Tahoe-Reno Industrial Center, LLC (TRI) dated February 1, 2000, as amended. Storey County is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the schedule based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of project revenue and net revenue is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedule.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the schedule of project revenue and net revenue referred to above presents fairly, in all material respects, the project revenue and net revenue of the TRI Public-Private Partnership for the year ended June 30, 2015, in accordance with the financial reporting provisions of the development agreement between Storey County, Nevada and Tahoe-Reno Industrial Center, LLC, as amended.

Basis of Accounting

We draw attention to Note 1 of the Schedule, which describes the basis of accounting. The Schedule is prepared by Storey County on the basis of the financial reporting provisions of the development agreement between Storey County, Nevada and Tahoe-Reno Industrial Center, LLC, as amended, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the financial reporting provisions of the contract referred to above. Our opinion is not modified with respect to this matter.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the schedule of project revenue and net revenue of the TRI Private-Public Partnership as a whole. The supplementary information included in pages 8 through 10 is presented for purposes of additional analysis and is not a required part of the schedule of project revenue and net revenue. Such information is the responsibility of Storey County and was derived from and related directly to the underlying accounting and other records used to prepare the schedule of project revenue and net revenue. Except for the information marked, "unaudited," the supplementary information has been subjected to the auditing procedures applied in the audit of the schedule of project revenue and net revenue and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the schedule of project revenue and net revenue or to the schedule of project revenue and net revenue itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the information marked, "unaudited," the supplementary information is fairly stated in all material respects to the schedule of project revenue and net revenue as a whole. The information marked "unaudited" has not been subjected to the auditing procedures applied in the audit of the schedule of project revenue and net revenue and, accordingly, we do not express an opinion or provide any assurance on it.

Restriction on Use

Our report is intended solely for the information and use of the members and management of the Tahoe-Reno Industrial Center, LLC and the Commissioners and management of Storey County, Nevada, and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO SCHEDULE

TRI PUBLIC-PRIVATE PARTNERSHIP
NOTES TO THE SCHEDULE OF PROJECT REVENUE AND NET REVENUE
FOR THE YEAR ENDED JUNE 30, 2015

NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Tahoe-Reno Industrial Center, LLC (TRI) owns approximately 82,000 acres, of which more than 9,000 acres is zoned for industrial usage within Storey County, Nevada (County). On February 1, 2000, TRI, along with DP Operating Partnership, L.P., entered into a development agreement with the County for the purposes of completing structures, including grading, infrastructure, and all public facilities related to the Tahoe-Reno Industrial Center property. The TRI Public-Private Partnership (Project) represents the commitment between TRI and the County to fund the capital infrastructure costs and local community services required by the development agreement. According to the agreements, TRI is responsible for the construction of the Project public infrastructure, which shall be dedicated to and maintained by the County, such as streets, sidewalks and streetlights; flood control drainage channels, storm drains, basins and other related facilities; and County building complexes (i.e. fire stations, police stations, public works maintenance yards, and administrative offices). TRI is also responsible for the construction of the Project private infrastructure, which shall be dedicated to and maintained by the TRI General Improvement District, such as community water and sewer facilities. The utilities shall be dedicated to the purveyors. The railroad track and related facilities; landscaping of common areas; private trails and parks; and other property not dedicated to the County shall be constructed by TRI and dedicated to the TRI Owners Association. The County is responsible for separately recording certain revenue and expenses directly attributable to the Project, approving reimbursable costs, and determining the annual net revenue reimbursement to TRI, if applicable.

The agreements establish a threshold of \$5,000,000 for the Project net revenue before any reimbursements are made to TRI for Project-related infrastructure costs. This revenue threshold was met during the year ended June 30, 2008. Accordingly, the County is responsible for reimbursing TRI for the outstanding approved Project vouchers up to 35% of the annual net revenue. The County's annual debt is limited to 5% of the Project assessed valuation. See the supplementary schedules on page 10 for the calculation of these limitations.

Reporting Entity

This schedule includes only selected financial activity attributable to the Project as agreed upon by TRI and Storey County. Such information has been extracted from the financial records of Storey County, Nevada.

Basis of Accounting

Basis of accounting refers to when revenue and expenditures are recognized in the accounts and reported in the schedule. For purposes of this schedule, revenue includes only amounts actually received by the County within the fiscal year.

Project Revenue

Project revenue includes certain taxes and fees recorded by the County from Project-related sources. Project revenue does not include portions of any tax which are not specifically identifiable as to origin, actually distributed to the County, or are dedicated revenue for earmarked programs not associated with Project services. In addition, certain revenue sources may not be included in Project revenue based on mutual consent of TRI and the County.

Proceeds from certain tax settlements related to businesses within the Project subject to Nevada Revised Statutes (NRS) Chapter 360.750 must be used by the County only for the purposes authorized by NRS 354.6113 or 354.6115. Accordingly, such amounts are not included in Project revenue.

Stipulated Project Costs

In lieu of allocating actual operations and maintenance costs, capital outlay and overhead, TRI and the County have stipulated to a base total of \$1,700,000 for Project costs for the year ended June 30, 2008 with scheduled annual increases of 5%. Accordingly, the stipulated Project costs for the year ended June 30, 2015 total \$2,392,071.

TRI PUBLIC-PRIVATE PARTNERSHIP
NOTES TO THE SCHEDULE OF PROJECT REVENUE AND NET REVENUE (CONTINUED)
FOR THE YEAR ENDED JUNE 30, 2015

NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the schedule of project revenue and net revenue and supplementary schedules includes estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through June 22, 2016, which represents the date the schedule of project revenue and net revenue was available to be issued. Subsequent events after that date have not been evaluated.

NOTE 2 - VOUCHERS

Through June 30, 2015, the Storey County Board of Commissioners has accepted vouchers totaling \$47,008,953 and approved payments and credits against property taxes owed by TRI totaling \$4,790,870. At June 30, 2015, outstanding approved vouchers totaled \$42,218,083, which includes vouchers totaling \$549,769 that were paid subsequent to year end on August 19, 2015 in the form of a credit against property taxes owed by TRI.

NOTE 3 - SUPPLEMENTAL CITY-COUNTY RELIEF TAX

During the year ended June 30, 2015, the State of Nevada notified the County that sales taxes generated within the County exceeded the Supplemental City-County Relief Tax (SCCRT) thus allowing the County to elect to be removed from its current "guaranteed" status effective July 1, 2015. Under the "guaranteed status," no portion of the SCCRT is allocated to the Project revenue because the amount the County receives is not affected by the existence of the TRI properties. The County elected to be removed from the guaranteed SCCRT and will receive revenue based on actual sales taxes collected from County sources, which may have a significant impact on future Project net revenue. However, it is uncertain at this time how the SCCRT attributable to the Project will be determined as there is no separately identifiable zip code or other mechanism in place to allocate the tax source within the County.

NOTE 4 - CONTINGENCIES AND UNCERTAINTIES

In addition to the SCCRT, the County receives other taxes and fees that have not been allocated to the Project because of the difficulty in determining a reasonable allocation method in the absence of information that specifically identifies the source of the funds. Accordingly, such amounts are not included in the schedule of project revenue and net revenue. In the event that the information necessary to allocate such taxes and fees becomes available or TRI and the County enter into a stipulation agreement to include additional revenue sources, such amounts may have a significant effect on the Project revenue and net revenue. The effect of any additional revenue sources that may be agreed upon in the future cannot be determined at this time.

Poway, California 92074

We have audited the schedule of project revenue and net revenue of the TRI Public-Private Partnership (Project) for the year ended June 30, 2015, and have issued our report thereon dated June 22, 2016. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letters to you dated November 1, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies related to the Project's net revenue are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. Certain amounts have been included and excluded from the schedule of project revenue and net revenue based upon the agreements between the parties.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Issues concerning significant estimates made by management include:

- Management's identification of and process for making significant accounting estimates.
- Risks of material misstatement.
- Indicators of possible management bias.
- Disclosure of estimation uncertainty in the financial statements.

The most significant estimates affecting your schedule of project revenue and net revenue is the base utilized for Project costs based upon the joint agreement between the parties.

We evaluated the key factors and assumptions used to develop estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

A significant portion of Project revenue and the annual debt limit calculation is derived from real and personal property taxes that are based upon assessed values. The assessed values are estimated by the Storey County Assessor's Office and such valuations have not been subjected to any audit procedures.

We considered issues involved, and related judgments made, in formulating sensitive disclosures accompanying the schedule of Project revenue and net revenue and believe they are presented with overall neutrality, consistency, and clarity.

Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We proposed four adjustments that resulted in an increase in net revenue of \$200,229.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the schedule of project revenue and net revenue or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from the responsible parties that are included in the management representation letters dated June 22, 2016.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the schedule of project revenue and net revenue or a determination of the type of auditors' opinion that may be expressed on that schedule, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. Tahoe-Reno Industrial Center, LLC (TRI) hired a consultant to evaluate other County revenue sources to determine if amounts could be allocated to the Project. As systems to allocate such revenue sources may not be available or were not in place prior to June 30, 2015, such amounts have not been allocated to the Project and future inclusion is subject to agreement between TRI and the County. Otherwise, to our knowledge, there were no other consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the independent auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Under professional standards, we are required to inform you about transactions we noted that were both significant and unusual, or transactions for which there is a lack of authoritative guidance or consensus. We noted no such transactions reflected in the schedule of project revenue and net revenue.

As noted above, a consultant has questioned potential other sources of revenue that have not been allocated to the Project net revenue.

Other Matters

Supplementary Information

Except for the supplementary information marked, "unaudited," we made certain inquiries of management and evaluated the form, content, and methods of preparing the supplementary information accompanying the schedule of project revenue and net revenue to determine that the information is presented in

accordance with the development agreement between Storey County, Nevada and the Tahoe-Reno Industrial Center LLC, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the schedule of project revenue and net revenue. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the schedule of project revenue and net revenue or to the schedule itself.

This information is intended solely for the information and use of the members and management of the Tahoe-Reno Industrial Center, LLC and Commissioners and management of Storey County, Nevada, and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

KOHN & COMPANY LLP

Connie Christiansen, CPA, CFE, CGMA

Agenda Item No. | \

Enclosure A: Staff Summary

Commission Meeting Date: 10/18/16

Summary Notes:

Storey County, in cooperation with the Dayton Valley Conservation District and the Carson Water Subconservancy District has over the past five years employed reoccurring comprehensive noxious weed treatment within portions of the county located within the Carson River Watershed, including Six and Seven Mile Canyons, Gold Canyon, Gold Hill and Virginia City, and American Flat. The goal is to improve water quality and riparian habitats in Storey County and reduce noxious weed seed sources to the lower portions of the Carson River Watershed management areas in the Dayton and Lahontan Valleys.

Each year we were successful in meeting our goals. More than 80 percent of noxious species, particularly Perennial Pepperweed and Hoary Cress, were eradicated in the treated areas. Treatment included initial application of 2-4D and Telar, removal of dead materials, and several follow-up sprays lasting from April through August of each year. The treated area in Six Mile and Seven Mile Canyons was approximately 136 acres, including a fifteen mile stretch of varying widths from ten to seventy five feet. The treatment area in Gold Canyon was similar and included approximately 40 acres of treatment area.

Funding:

In past years, the Carson-Truckee Conservancy District awarded Storey County approximately \$15,000 funding each year to complete the projects. Storey County used the funds to reimburse Dayton Valley Conservation District for costs associated with project management, vehicle fuel, equipment, herbicide, safety supplies, and contract crew. Storey County also provided approximately \$5,000 in-kind match to the Dayton Valley Conservation District including project administration, property notifications and postage, roadside signage, vehicle use and fuel, and mapping/inventory services. The Dayton Valley Conservation District provided in-kind match covering mapping and inventory, project management, and the purchase of herbicides.

Because the Carson-Truckee Conservancy District is in the 2017 fiscal year expected to be required to dedicate funds previously used for this project to certain Truckee River projects, Storey County through the Planning Department weed abatement fund budgeted \$15,000.00 be applied for this purpose. Additionally, Storey County and the Dayton Valley Conservation District will respectively contribute \$5,202 and \$4,000 in-kind match described above similar to the previous years. Additionally, through a separate agreement, the Carson Water Subconservancy District will apply \$2,500 funding to the Dayton Valley Conservation District to assist in the completion of this Storey County project in 2017.

Austin Osborne
Storey County Planning Director

Enclosure B: Memorandum of Understanding (MOU)

INTERLOCAL AGREEMENT BETWEEN PUBLIC AGENCIES

An Agreement Between

Storey County
P.O. Box 435, Virginia City, NV 89440
Phone: (775) 847-0958 - Fax: (775) 847-0935

And

Dayton Valley Conservation District
P. O. Box 1807, Dayton NV, 89403
Phone: (775) 246-1999 – Fax: (775) 246-1998

WHEREAS, Storey County is a governmental subdivision of the State of Nevada and therefore a public agency under NRS 277.100; and

WHEREAS, the Dayton Valley Conservation District is a governmental subdivision of the State of Nevada, a public body corporate and politic, organized in accordance with the provisions of Chapter 548 of the Nevada Revised Statutes (NRS); and

WHEREAS, NRS 277.180 authorizes any one or more public agencies to mutually enter agreements with any one or more other public agencies to perform any governmental service, activity or undertaking which any of the public agencies entering into the Agreement are authorized by law to perform; and

WHEREAS, Storey County and the Dayton Valley Conservation District wish to cooperate in the funding and performance of work for noxious weed management along Six and Seven Mile Canyons, Gold Canyon, and Gold Hill, in Storey County, Nevada; and

WHEREAS, Storey County and the Dayton Valley Conservation District each possess common objectives, responsibilities, and concerns in regard to the spread of noxious weeds in the Carson River Watershed

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained, it is mutually agreed by and between the parties as follow:

1. PARTIES. This Interlocal Agreement (“Agreement”) is entered into by and between STOREY COUNTY, a political subdivision of the State of Nevada, and the DAYTON VALLEY CONSERVATION DISTRICT (“DVCD”), a political subdivision of the State of Nevada.
2. AGREEMENT TERM. This Agreement becomes effective upon approval of each party’s governing body.
3. TERMINATION. This Agreement will terminate on October 1, 2017, at which time DVCD will have one (1) month thereafter to submit its final request for payment related to work performed under this Agreement.
4. PROJECT DUTIES.
 - a. Storey County shall provide funding assistance in an amount not to exceed \$15,000.00 to DVCD for herbicides and project management; seasonal contract crews; safety

materials, training, and supplies; fuel; and overall administration.

- b. Storey County shall provide weed mapping and inventory services.
- c. Storey County shall provide United States Postal Service mail notification to all property owners within the scope of the project located within Storey County.
- d. DVCD shall coordinate and manage seasonal contract crews; provide equipment and materials to treat noxious weeds; and provide seasonal persons to spray/apply herbicides in Six and Seven Mile Canyons, Gold Canyon, and Gold Hill in Storey County, Nevada.
- e. Upon approval of this Agreement, all work must begin on or before October 1, 2017.

5. MONETARY CONTRIBUTIONS.

- a. Storey County shall provide \$15,000.00 funding to DVCD to help cover the cost of mapping and inventory of noxious weeds, project management, seasonal contract crews, safety materials, training, supplies, fuel, overall administration and the purchase and application of herbicide in Six and Seven Mile Canyons, Gold Canyon, and Gold Hill.
- b. Storey County shall provide \$5,202.00 in-kind contribution to cover portions of the cost of United States Postal Service mail notification to all property owners within the scope of the project located within Storey County; mapping and inventory of noxious weeds; highway sign management for vehicular traffic on Six Mile Canyon Road and State Route 342; and United States Postal Service mail notification of said project to property owners within the area of the project in Storey County.
- c. DVCD shall provide a \$4,000.00 in-kind contribution to cover the cost of mapping and inventory of noxious weeds, project management, and the purchase of herbicide in Six and Seven Mile Canyons, Gold Canyon, and Gold Hill.

6. FUNDING REQUESTS.

- a. DVCD shall submit to Storey County requests for funding in an amount up to \$15,000.00 over the period of this Agreement but not before April 1, 2017, and in accordance with the applicable provisions of this Agreement. The request for funding must be accompanied by a description of what the funds will be used for.
- b. Storey County shall pay the approved amount of the request to DVCD within four (4) weeks of completion of the project, and in accordance with the applicable provisions of this Agreement; provided, however, the request is not made before October 1, 2017.
- c. Storey County shall not have the responsibility to fund requests exceeding a total of \$15,000.00.

7. NOTICE. For invoicing and notice purposes, the address of each party is as follows:

STOREY COUNTY
Attn: Austin Osborne
Planning Director
P.O. Box 176
Virginia City, NV 89440
(775) 847-0968

DVCD
Attn: Rob Holley
District Manager
P. O. Box 1807
Dayton, NV 89403
(775) 246-1999

8. LIMITATIONS ON LIABILITY. The parties do not waive and intend to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. To the extent applicable, actual contract damages for any breach should be limited by NRS 354.626.
9. INDEMNIFICATION.
 - a. The parties shall each assume liability for the negligent actions of or failure to act by their respective Boards, officers, agents, employees, volunteers and contractors, which may arise out of this Agreement. Further, in executing this Agreement and to the extent permitted under Nevada Revised Statutes Chapter 41, and without waiving any provision thereof, the parties hereto agree to hold harmless, indemnify and defend each other from all damages, costs or expenses which any of them shall become obligated to pay by reason of liability imposed by law for property damage or personal injury to or death of persons arising or resulting from the negligent acts or omissions of their respective Boards, officers, agents, employees, volunteers, and contractors which may arise under this Agreement.
 - b. The indemnification obligation under this paragraph is conditioned upon receipt of written notice by the indemnifying party within 30 days of the indemnified party's actual notice of any actual or pending claim or cause of action. The indemnifying party shall not be liable to hold harmless any attorneys' fees and costs for the indemnified party's chosen right to participate with legal counsel.
10. INSURANCE. Each party shall provide for their financial responsibilities regarding their respective obligations, rights, and liabilities hereunder through the purchase of insurance or the provision of an adequate self-funded program pursuant to Nevada Law.
11. INDEPENDENT PUBLIC AGENCIES. The parties are associated with each other only for the purposes and to the extent set forth in this Agreement and its incorporated documents. In respect to performance of services pursuant to this Agreement, each party is and shall be a public agency separate and distinct from the other party and, subject only to the terms of this Agreement. The parties shall also have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Agreement. Nothing contained in this Agreement shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for one agency whatsoever with respect to the indebtedness, liabilities, and obligations of the other agency or any other party.
12. SEVERABILITY. If any provision contained in this Agreement is held to be unenforceable by a court of law or equity, this Agreement shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Agreement unenforceable.
13. ASSIGNMENT AND DELEGATION. Neither party shall assign, transfer, or delegate any rights, obligations or duties under this Agreement without the prior written consent of the other party.
14. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents may be open to public inspection and copying. The parties will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests.
15. CONFIDENTIALITY. Each party shall keep confidential all information, in whatever form, produced, prepared, observed or received by that party to the extent that such information is confidential by law or otherwise required by this Agreement.
16. PROPER AUTHORITY. The parties hereto represent and warrant that the person executing this Agreement on behalf of each party has full power and authority to enter into this Agreement and that

Agenda Item No. | 2

NOTICE OF PUBLIC MEETING

FOR DISCUSSION OF POSSIBLE STATE CDBG APPLICATION

NOTICE IS HEREBY GIVEN that the Storey County Board of County Commissioners will conduct a public meeting on October 18, 2016 at 10:00 a.m. at the Storey County Courthouse at 26 South B Street in Virginia City, Nevada. A presentation will be given at this meeting about the State of Nevada Community Development Block grant program and potential applications for funding under the next fiscal year's (July 1, 2017 to June 30, 2018) grant cycle and to solicit additional citizen input on possible activities to be included in an application.

Eligible activities under the above allocation consist of: housing rehabilitation programs, public facility and public improvements projects, public service programs, planning studies, economic development business assistance and microenterprise activities. Eligible activities paid for with the state CDBG funds must meet one or more of the three national objectives listed in CDBG federal statutes as follows: benefit to low income households or persons; elimination of slums and blight; or meeting urgent community development need.

The purpose of this public meeting is to present proposed projects that will be submitted to the State of Nevada Governor's Office of Economic Development for a pre-application screening process. Proposed projects and estimated funding are listed below.

<u>Project Name:</u>	<u>Estimated Project Cost:</u>
Arts and Culture District Feasibility Study	\$100,000
St. Mary's Art Center Economic Revitalization Project	TBA

A final meeting will be held once project eligibility is determined to discuss, approve and rank applications prior to final application submittal to the State.

If you require special accommodations to participate in the public hearing, please contact Cherie Nevin at 775-847-0986; The TTY, VCO (voice carry over) or HCO (hearing carry over) number is 800-326-6868; voice only 800-326-6868. Check the customer Guide section of your telephone book under Services for Individuals with a Hearing or Speech Disability.

Written comments may be directed to Storey County Community Services at PO Box 7 Virginia City, NV 89440 or you may telephone Cherie Nevin at 775-847-0986 or contact via email at cnevin@storeycounty.org.

Storey County promotes fair housing and makes all its programs available to low and moderate income families regardless of age, race, color, relation, sex, national origin, sexual preference, marital status or handicap.

Hi Cherie,

I guess this is a case of getting your advise for the best approach.

Why don't we make the feasibility study request for 100k, that would give me total three-year budget roll-out, renderings, plans, funding strategies, compatible in-fill within the historic landmark district. And, an opportunity to conduct a design charrette.

Product-wise, we would have a handsome presentation package to submit to governmental agencies, foundations, etc.

What do you think about raising the cost to 100k rather than 60?

Subject: Re: Request to prioritize as #1 a CBDG request for an Arts District

Hi Cherie,

Yeah on the new puppy. Hope another Beagle.

The estimated project cost is over a three-year timeline, or 1.5M. The idea is that it would become self-sustaining, but there will be an annual endowment of bricks and mortar capital, technical assistance, and oversight, project follow-up in place to fund \$300-\$400 in projects each year. Additional revenue streams need to be explored. There are health and safety issues. None of the parapets along B Street have been tied back, they unravel in a earthquake. God knows what will happen to the Courthouse. Piper's need a structural reassessment for the north side.

The first year would encompass the cost of the feasibility which is estimated to cost \$60k to prepare, there are some studies that need to be commissioned. The narrative can be drafted locally, our planning dept is excellent, people who know the structures.

The USDA seemed interested in a proposal to fund the feasibility study and helping develop funding strategies. This is a model that could work in rural counties, blighted intercity neighborhoods, where their cultural resources are far greater than the population that can preserve, market and promote.

The way I structured this proposal is based on the old National Trust program Main Street, which is now in four Nevada towns and receive funds through the SHPO. At Reno-Tahoe Territory luncheon at St. Mary's in August two of the Main Street coordinators said they are lobbying for more funds from economic development this session, that there are four established Main Streets going now. But those Main Street are in larger communities, 8-20,000. If they get economic development money then Virginia City should too. We need a program in place to receive such funds.

I explored Main Street with Marshall about 20 years ago, before he was a commissioner, and he did not feel that we could rally the 50% local support from the business community needed. Virginia City has a nationally significant core greater than most cities, but with 800-1,000 people, not the populace to support it.

We don't want to make Virginia City a Williamsburg where the Rockefeller Foundation came in and gutted everything that was not 1800-30, but we need to preserve our heritage and tell the wonderful stories from 1859 on. We have no way to do tax incentives as other states by waiving state or city taxes. We have nothing to grant an easement incentive. We have no major development as Bentley's distillery that can apply for historic tax credits for adaptive reuse of the flour mills. This is something that can work. It can help Piper's, reposition the town on the international circuit.

And, the county has enough problems wrangling billion-dollar projects in the north county, this a uniquely tailored initiative about legacy, sense of place to deal with our art, architecture, music, literature and theatre, it is about Virginia City, the fabulous Comstock Lode.

Hi Cherie and Dr. Slaby,

Here is the request to the Storey County Commission and Pat Whitten to prioritize and rank as # 1, a Community Block Development Grant request for an arts-culture district. It was the only way that I could figure how to revitalize B Street, get people transported up to Piper's and honor who we are, our history, our legacy. Aricka Perry, ED at St. Mary's Art Center is very excited about the prospect of getting people down the hill to the center, too. Bert does not want a funicular, maybe a jitney. There is so much to note on Union, buy it is treacherous to walk down and then, you have to hike up.

Anyhow, here it is ducks. My deadline was October 5. Now, how about that! A day early.

Besest,
Andria

Oh, as an aside, the E.L. Cord gave Piper's \$15K for our season. How did that request to host the legislature in March go? Let us talk over coffee soon.

Subject: CBDG Projects

Hello Cherie,

Below are our high level ideas/proposals, in no particular order, for application to receive CBDG funding. Please let me know if this information is sufficient or if you have further suggestions. I have included the full list in case you determine all, or some, are viable for the next phase.

Thank you so much for your time and consideration, as well as advocating on behalf of our non-profit and the community.

Cheers,

A

1) New Exterior Signage Project and SMAC Re-Branding Project:

- Fund and Support:
 - The construction, paint and installation of new primary signage at the entrance of smac property
 - Contracting of an artist to paint a new St. Mary's Art Center sign on the side of Bucket of Blood
 - Website redesign with new branding
 - Purchase marketing publication printings (new brochures, tour guides, etc.)
- Benefits:
 - Expands the visibility and location of the art center
 - Increase visitor, guest, artist, organization and business rentals, tours, stays and participation in this historic landmark and place
 - Reintroduce St. Mary's Art Center to the local community as a vibrant art center for children, adults, artists and the community
 - Expand awareness of the arts and culture in Virginia City, bringing additional types of visitors to Virginia City
 - Increase Adventure Pass ticket sales
 - Increase businesses in VC for day visitors and longer term guests: restaurants, hotels, sightseeing, shops, etc.
 - Elevates the look, feel and appeal of a County owned historical property in the eyes of the community and local, regional, national and international guests

2) Youth Art Program:

- Fund and Support:
 - Purchase of art supplies for a robust children's art program
 - Compensation for art instructor(s) fees to build a program and lead the classes (and target consistency, focus and responsibility by paying the teacher for their time)
 - Enable offering of grants for children without financial means to pay for classes
 - Expenses for youth art receptions

- **Benefits:**
 - Offers youth art classes, workshops and collaborations and parent/child retreats
 - Promote self confidence by hosting children's art reception expenses, promoting their skills, artistic experience and resumes
 - Increase community and regional involvement
 - Inspire youth to create, broaden experience and support culture within their community

3) Arts Technology Improvement Project

- **Fund and Support:**
 - The purchase of key technology components needed to help improve the ability of SMAC to offer highly functional creative and educational spaces
 - projector
 - scanner
 - large format printer
 - light box
 - microphone and speaker set
 - computer for demonstrations of computer based art programs
 - arts related computer programs
- **Benefits:**
 - Support art instructor abilities to teach through the use of the computer and projecting devices
 - Expand artists' experiences and learning through a variety of tools and programs
 - Increase artist, instructor and student attendance, supporting funding and donations for the art center
 - Support the economy of surrounding community businesses (restaurants, shops, hotels, tourist attractions, cultural events)
 - Elevate the art center to a level comparable with other successful and prominent art and culture organizations

4) Development of a Formal Historical Hospital & Art Center Museum Exhibit

- **Fund & Support:**
 - The development and installation of a dedicated, museum quality exhibit of the history of the land and building, from beer garden to hospital and finally the evolution into an arts center
 - Procurement of historical documents, imagery and other museum/gallery supportive displays such as medical tools, printed narratives, etc
 - Contracting of necessary professional resources for the research, design and installation of the exhibit
- **Benefits:**
 - Would elevate the historical landmark within the community, offering visitors and locals an additional cultural experience
 - Increase visibility and market to appeal to tourists and other history lovers, showcasing the roots of the building
 - Allow for addition of formalized professional tours to include St. Mary's Art Center on the list of historical places
 - Would increase individual and group tours, Adventure Pass and in-house ticket sales from increased visibility increase
 - Appeal to tourists and visitors not as interested in the arts as they may be in the history of the building and Virginia City

- Elevate SMAC visibility and recognition within the museum associations and historical groups, allowing for potential additional grants funding and visibility of VC as an arts and history destination
- With long term increase in tours, donations and support, offer the potential to employ a part time docent
- Elevates a County Property and its compelling history

5) Development of 4th Floor Theater Space

- Fund and Support:
 - Formal lecture/movie style space using historical theater seating to create a space for art critiques, movie viewing, art and history lectures on the fourth floor, north gallery space
 - Fund procurement and restoration of the historical theater seating (purchasing previously donated chairs from the Fourth Ward School, benefiting both SMAC & Fourth Ward)
 - Fund the purchase and installation of a projector, movie screen, sound system (for lectures as well as film audio) and other beneficial equipment/technology
 - Fund contractual help to set up and run various equipment (i.e. movies, speaker/lecture set up, etc.)
- Benefits:
 - Provides an alternative venue and events space for a variety of groups, including artists, writers, businesses, organizations and other groups in a special and unique space
 - Support additional exposure to SMAC and its diverse offerings
 - Drive opportunities for increased business use by groups seeking a retreat offering unique "conferencing" and "privacy" options
 - Potential payment to supporting contractors for support and maintenance of the space (running the movie system, set up/break down, etc.)
 - Support the potential for vendor services: catering, food/drink offerings, souvenirs
 - Support the economy of surrounding community businesses (restaurants, shops, hotels, tourist attractions, cultural events)

6) Front Porch and Third Floor Balcony Repairs and Restoration

- Fund and Support:
 - Costs to employ skilled craftsman to repair the leaking 1st floor porch, decaying 3rd floor balcony
- Benefits:
 - Expand the usability and desirability to support, the historical building, SMAC donations and tourist and guest visits
 - Allow alternative uses of the facility in general and seasonally
 - Increase revenue to the Art Center and surrounding community businesses
 - Improves a County owned facility in need of significant safety and structural repairs
 - Provides income for contracted services/craftsmen

MUTUAL AID AGREEMENT

THIS AGREEMENT is made and entered into this ____ day of _____, 2016, by and between the PYRAMID LAKE PAIUTE TRIBE, a federally-recognized tribal government under Section 16 of the Indian Reorganization Act of 1934 (25 U.S.C. s476) (hereinafter referred to as the "TRIBE"), and the COUNTY OF STOREY, a political subdivision of the State of Nevada (hereafter referred to as the "County" or Storey County".)

WITNESSETH

WHEREAS, the Tribe maintains and operates a Police Department, (Tribal Police), and Storey County maintains and operates a Sheriff's Office (Sheriff Office) to maintain law and order and public safety within their respective jurisdictions; and

WHEREAS, in order to more efficiently and effectively maintain the law and order and public safety, the Tribe and County desire to enter into this mutual aid agreement ("Agreement") for the purpose stated below; and

WHEREAS, the Tribe and Storey County enter into this mutual aid agreement under the authority of Chapter 277 of the Nevada Revised Statutes.

NOW THEREFORE IT BE RESOLVED that the Tribe and Storey County hereby enter into this agreement on the following terms and conditions:

1. Purpose. The purpose of this agreement is to improve the efficiency and effectiveness of law enforcement and to maintain the law and order and public safety of all County and Tribal residents. This Agreement is also intended to improve the safety of County and Tribal law enforcement officers who, in the line of duty, require support and back up in times of need. There are also times when a disaster may fully tax the resources of County or Tribal law enforcement and the collaboration and cumulative resources of both agencies is required. For all of these purposes, and any other exigent circumstances that may arise where collaboration between Tribal and County law enforcement personnel is needed, the parties desire to make available to each other, upon request, law enforcement personnel, resources and facilities as needed. The parties further agree that the officers, agents and employees of one party may, upon request, assist the other party in its prosecution, judicial proceedings, or post judicial activities related to law enforcement activities authorized by this agreement.

2. Jurisdiction. The territorial scope of the mutual aid assistance shall be all lands within Storey County or the Pyramid Lake Indian Reservation. Nothing in this agreement alters, or is intended to alter, existing law defining jurisdiction over crimes committed on the Pyramid Lake Indian Reservation.

3. Request Procedure. County requests for mutual aid under this agreement shall be made orally or in writing to the Tribal Chief of Police and Tribal requests shall be made orally or in writing to the Sheriff of Storey County. These officials may appoint designated representatives to act for them when they are not available or circumstances warrant.

4. Federal Crimes. The County recognizes that the Federal Bureau of Investigation (FBI) along with the Pyramid Lake Tribal Police has jurisdiction on Tribal lands. In the event the County responds to the Tribal lands under this agreement and discovers that a Federal Crime has occurred, the County will notify the F.B.I. In the case of federal crimes, the County will only take enforcement action pursuant to this agreement, when necessary to protect life or property in immediate jeopardy; to preserve the crime scene and evidence; or to defend themselves or others.

5. Voluntary Response. A party's response to any request for mutual aid under this agreement is completely voluntary, and there is no obligation to respond favorably to any request.

6. Liability and Indemnification.
 - a. The Tribe agrees that it shall be responsible for any liability or loss that may be incurred as a result of any suit, claim, demand, cost, judgment, or settlement made against its officers, employees or agents resulting from their intentional or negligent acts, or failure to act, in connection with any activities performed under this agreement. The Tribe also agrees to hold harmless, indemnify, and defend the County from any and all losses, liabilities, claims or expenses (including attorney fees) of any nature to the person or property of another caused by negligent or intentional acts, errors, or omission of the Tribal officers, employees or agents in connection with any activities performed under this agreement.

 - b. The County agrees that it shall be responsible for any liability or loss that may be incurred as a result of any suit, claim, demand, cost, judgment, or settlement made against its officers, employees or agents resulting from their intentional or negligent acts, or failure to act, in conjunction with any activities performed under this agreement. The County also agrees to hold harmless, indemnify, and defend the Tribe from any and all losses, liabilities, claims, or expenses (including attorney fees) of any nature to the person or property of another caused by the negligent or intentional acts, errors, or omission of the County officers, employees or agents in connection with any activities performed under this agreement. Nothing in this agreement interferes with or alters the applicability or requirements of Chapter 41 of the Nevada Revised Statutes.

7. Worker's Compensation and Liability Insurance. Each party is responsible for insuring its Officers, employees and agents have workers compensation coverage in accordance with Applicable laws while this Agreement is in effect. Each party shall be responsible for ensuring its officers, employees, and agents are covered under their general liability insurance coverage, which proof of insurance or coverage shall be promptly provided to the other party.

8. Ultimate Supervision. Notwithstanding anything to the contrary in this Agreement, the Employer of the officer, employee or agent (and the employer's supervisory law

Enforcement officials) shall have ultimate authority over its officers, employees and agents, including the authority to order such person back to its jurisdiction.

For the purposes of worker's compensation coverage for injuries to officers providing mutual aid services pursuant to this agreement, the Storey County Sheriff's Office and the Pyramid Lake Paiute Tribe shall be considered joint employers of the officers with all worker's compensation benefits provided by the Agency that regularly employs the officer as indicated above.

9. On the Scene Direction. Subject to the ultimate supervisory authority of the employer over its personnel as provided in Paragraph 8 above, this Agreement authorizes the highest ranking law enforcement official on duty or on the scene *with jurisdiction over the lands where the incident occurs* to be in charge of the incident, including the direction of all personnel and equipment provided by the responding party.
10. Reports. As soon as practicable after a law enforcement activity occurs under this Agreement, the parties shall exchange available officer reports relating to such activity. Nothing in this Agreement waives, limits, or removes confidentiality requirements required or authorized by applicable law.
11. Subpoenas. The parties agree that all judicial or administrative subpoenas issued at the request of one party required for law enforcement activities under this Agreement shall be honored. Any out of pocket expenses incurred by a party associated with compliance with such subpoenas shall be paid by the party responsible for issuance of the subpoena.
12. No Compensation. Neither party is required to compensate the other party for mutual aid services rendered under this Agreement. Each party agrees to use their own resources and equipment in responding to requests for mutual aid, and each party shall be responsible for any costs or repairs associated with such resources and equipment.
13. Firearms. Law Enforcement officers shall carry and use a firearm in accordance with their agency's policies and procedures and in accordance with the policies and procedures of the agency in whose jurisdiction an incident requiring mutual aid has occurred. Each party agrees to provide the other party with a copy of their firearm policies and procedures and to provide an orientation to the other party on such policies and procedures.
14. Officer-Involved Shootings. The investigation of any law enforcement officer involved in a shooting that takes place while performing mutual aid under this Agreement shall be the primary responsibility of the jurisdiction in which the incident occurred. Nothing in this Agreement prevents appropriate staff or personnel from the other jurisdiction from assisting in such investigation, conducting its own investigation, or participating in a joint investigation.
15. On-Duty Motor Vehicle Accidents. Investigations of law enforcement officers whose vehicles are involved in a traffic collision while engaged in mutual aid activities under this Agreement shall be conducted in accordance with the officer's agency "Protocol for Motor Vehicle Accidents/Incidents,".

16. Injuries Sustained On-Duty. If a law enforcement officer is injured while performing duties under this Agreement, the employing agency's procedure for on-duty injuries should be followed.

17. Complaints. Any complaint alleging misconduct by personnel performing law enforcement activities pursuant to this Agreement will be investigated by the party who employs such personnel.

18. Vehicular Pursuits. The parties shall abide by the written policy on vehicular pursuits that governs their agency.

19. Termination. This Agreement may be voluntarily terminated, with or without cause, by any party upon providing the other party thirty (30) days prior notice in writing addressed to the following:

Chairman

Pyramid Lake Paiute Tribe

Storey County Board of Commissioners

P.O. Box 256

P.O. Box 176

Nixon, NV 89424

Virginia City, NV 89440

20. Reservation of Rights. Notwithstanding anything to the contrary, the parties to this Agreement reserve all of their statutory and inherent rights and nothing in this Agreement waives their sovereignty.

21. Amendments. This Agreement contains all of the provisions agreed to by the parties and no amendments to the Agreement are valid unless agreed to in writing by the Chairman of the Tribal Council of the TRIBE and the Chairman of the Board of County Commissioners of Storey County.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and in the year first written above.
