Road status:

1. State Route 342 between Virginia City and Silver City closed two to three weeks or longer. Road closed by NDOT at Silver City, Lyon County, due to serious erosion and guard rail damage at Silver City. Gold Hill residences and businesses are accessible southbound from Virginia City. NDOT repair efforts appear underway.
2. The county and Highlands Homeowners Associations entered into agreement to plow residential local roads. This is necessary under the circumstances to provide emergency vehicle access to residences. Six Mile Canyon Road remains closed for two to three weeks.
3. Other local road closures announced earlier may still be in effect.

The Emergency Coordinating Center (ECC) remains on full-active status until otherwise determined.
