

**NEVADA**  
HEALTH CENTERS

## **FLU & PNEUMOCOCCAL VACCINE CLINICS** *for adults & children*

It's flu season and Nevada Health Centers is holding a walk-in clinic in Virginia City. Influenza (flu) immunizations will be available for those six months and older, and pneumococcal for those 65 years and older or in a high risk category. Please bring a copy of your insurance card, Medicare card, or Medicaid card.

**NO CHARGE for individuals with Medicare, Medicaid or private insurance.** If you have no coverage, the cost is \$19 for those six months to 64 years, and \$50 for those 65 years and older for high dose immunization. *In alignment with national immunization standards for a stronger immune response, high dose is used on those 65 years and older.*

### **No appointments necessary.**

For anyone who is unable to attend the walk-in clinic, please contact Nevada Health Centers at **800.787.2568** for an appointment at a more convenient time.

Virginia City Senior Center
