

2018/2019 Notice of SECURED ASSESSMENT ROLL

STOREY COUNTY, NEVADA JANA V. SEDDON, ASSESSOR

The 2018-2019 Secured Tax Roll is available for your review pursuant to NRS 361.300(3)(b) The Tax Roll Listing may be viewed at the Storey County Assessor's Office - 26 South B Street, Virginia City, at the Storey County Public Library, or on our website at: www.storeycounty.org/134/Assessment-Roll

Nevada Revised Statute (NRS) 361.300 requires a list of all taxpayers' secured property and their total valuation be made available at the Assessor's Office in Storey County, or on the Storey County Assessor's Office website at www.storeycounty.org/134/Assessment-Roll on or before January 1st of each year. In addition, assessment notices are mailed for each property that has had a change this year, comparing values with those of the previous tax year.

PROPERTY TAX RATES

The tax rate is proposed in April of each year based on the budgets prepared by the various local governments: counties, cities, school districts and general or special improvement districts such as fire protection districts, etc. The property tax bill separately states the various rates levied in the county, including any rate levied for debt. The operating rates for the county, each town and each general and special district functions within each county are respectively determined by the County Commission, Town Boards, Improvement Districts and other District Boards to cover the functions for which they are responsible. Those rates may increase, decrease or remain the same, depending on the actions of the elected officials. Other rates, such as the school district operating and indigent fund rates are set in Nevada Revised Statutes. Debt rates are usually voter approved, although local government debt shorter than 10 years is approved by the Department of Taxation and the rate for State debt is set by the legislature.

Prior to the budget hearings held in the third week of May, the County will publish a newspaper ad which identifies any property tax rate increases and the times and places for the different budget hearings. These budget hearings present an opportunity for you to question expenditures and the property tax rates, which will be set to cover the proposed expenditures.

The local government's budget must be adopted no later than June 1. In June of each year, the Nevada Tax Commission approves the property tax rates based on the budgets submitted by the local governments.

The Storey County Board of County Commissioners certify each tax district's rate in June of each year for the following fiscal year. These rates are then applied to the assessed values of the property set by the Storey County Assessor as of July 1 each year.

PROPERTY TAX ABATEMENTS

On April 6, 2005, the Nevada State Legislature passed Assembly Bill 489, which provides property tax relief to all citizens through a partial abatement of taxes. This abatement provides a 3% tax cap on the previous year's tax bill of the owner's primary residence (single-family house, townhouse, condominium or manufactured home).

This office sends out verification cards to homeowners in Storey County throughout the year. **It is imperative that the postcard be returned to our office in order to receive the tax relief.** Only **one** property may be selected in the State of Nevada as a primary residence. Some rental dwellings that meet the low-income rent limits may also qualify for the 3% cap. There is an alternative tax cap, not to exceed 8%, on taxes that apply to the following: residences that are not owner occupied, commercial property, raw land, business personal property, aircraft, etc. New construction, new personal property or property that has a change of use may not qualify for any cap this fiscal year, but will qualify next year.

Your 2018/19 taxes will be based on your 2018/19 assessed valuation if your property is no longer receiving an abatement. The assessed value is multiplied by the tax rate and then compared to your 2017/18 taxes plus the cap (either 3% or the alternate cap). Whichever value is lower, will be the amount the taxes are based on for the current year.

In the instances where the taxable value has increased; regardless of the percentage of this increase, the tax amount for the upcoming tax year is capped and will not exceed the 3% or alternate tax cap. Your taxes can not increase more than the tax cap amount with the exception of any new construction, additions to structures, parcel map changes or change in use. These situations fall outside of the tax cap.

Your taxes can also change due to an increase or decrease in the tax rate that is set by the Storey County Board of County Commissioners.

ASSESSED VALUE EXPLANATION

The Assessor's Office discovers all taxable property and determines its taxable value for tax purposes in accordance with Nevada Law. Per NRS 361.227, the total taxable value must not exceed a property's "full cash value" in a competitive market. NRS 361.225 requires that the assessed value be 35% of the taxable value calculated in accordance with NRS 361.227. To compare sales, review your appraisal or view parcel maps, we encourage you to visit our office at 26 South B Street, or visit the Assessors website at:

www.storeycounty.org/132/assessor

All property in Storey County is re-costed each year. The Storey County Assessor also values all land on an annual basis. Additional appraisals occur when improvements are added, removed, or new structures are built. Most parcels will see a change in the assessed value annually.

HOW TO FILE AN APPEAL

If you believe the market value of your property is less than the appraised value or taxable value shown on your assessment, contact the Assessor's Office to discuss and receive copies of your appraisal.

If you still disagree, the Assessor's Office will give you a form to file with the County Board of Equalization no later than **January 15, 2018**, for a hearing in January or February 2018. Persons who are not satisfied with the County Board of Equalization's decision may file an appeal to the State Board of Equalization no later than March 10, 2018. Further appeals may be made to the District and Supreme Courts.
