Evacuation Preparation Alert Issued for Virginia City Highlands Due to Fire in Washoe Valley

Storey County, NV—Storey County Emergency Management has warned residents to prepare to evacuate in Virginia City Highlands due to a spreading fire in Washoe Valley south of Reno. The fire is expanding due to favorable fire conditions.

Firefighters are actively working to contain the blaze, but the evolving situation requires residents in Virginia City Highlands to be prepared in the case of an evacuation.

For assistance or further inquiries, please contact the Storey County Emergency Management Hotline at 775-230-2334.

The safety and well-being of our residents is our top priority. We appreciate your cooperation and understanding as we address this critical situation.
